

## **Covid-19 Protocol:**

As we prepare to kick off the Chicago Red Stars 2021 Camps and Clinics season, safety and the wellbeing of everyone participating is our first priority. We will adhere to Federal, State and local Covid-19 protocols. As guidelines change, we will adjust our precautions to reflect those changes. While the elements around how we practice and train may be a little different, the love for the game is as strong as ever. The game doesn't stop and neither do we. We are looking forward to helping athletes develop their skills in this new era.

## **Camps and Clinics Covid-19 Policies:**

- Camps and Clinics are closed to participants with a fever, any cold, flu, or Covid like symptoms
- Masks are to be worn by every player
- Player check-in will be done at the drop-off area
- Participant temperatures to be taken at drop-off before parents leave
- All staff will be wearing masks and gloves (except coaching staff are not required to wear gloves)
- Players will be escorted onto the field by a staff member
- Only players will be allowed on the field
- Players are required to bring their own balls
- Sessions will be in smaller and distanced groups
